reference to this drop in population that the I.G. has taken up the question of reduction of staff with the Superintendent of the Alipuram Jail. As the population is bound to decline further with the gradual release of the Defence of India prisoners it would seem sufficient for the present to sanction the continuance of the staff for a period of four months until a decision is reached on the question of the minimum staff necessary for the jail. The Home Department may be requested to modify the draft suitably.
